Better Governance and Public Policy: Capacity Building for Democratic Renewal in Africa

Better Governance and Public Policy: Capacity Building for Democratic Renewal in Africa

- * Written by prominent scholars and practitioners of African development policy
- * Describes recent governance changes in Africa
- * Analyzes consequences of these changes for institutional reform
- * Highlights challenges of capacity building for economic liberalization and democratization

This is an ideal volume for both students and scholars of African development, as well as anyone interested in the current issues of African governance. Published in association with the African Capacity Building Foundation, this book answers such questions as: What is the relationship between governance and institutional reforms? What is the impact of these reforms on public policy processes? And, what is the link between economic governance and policy research?
