Earl Derr Biggers

Earl Derr Biggers's Collected Works: Inside the Lines, Seven Keys to Baldpate, The Agony Column (4 Works): Detective Novels Earl Derr Biggers

Earl Derr Biggers was an American novelist and playwright. He is remembered primarily for his novels, especially those featuring the Chinese American detective Charlie Chan, from which popular films were made in the United States and China.

The son of Robert J. and Emma E. (Derr) Biggers, Earl Derr Biggers was born in Warren, Ohio, and graduated from Harvard University in 1907. Many of his plays and novels were made into movies. He was posthumously inducted into the Warren City Schools Distinguished Alumni Hall of Fame.

His novel Seven Keys to Baldpate led to seven films of the same title and at least two with different titles (House of the Long Shadows, Haunted Honeymoon) but essentially equivalent plots. George M. Cohan adapted the novel as an occasionally revived stage play of the same name. Cohan starred in the 1917 film version (one of his rare screen appearances) and the film version he later wrote (released in 1935) is perhaps the best known of the seven film versions.

This book contains (4 Works):
