Encyclopedia of Violence, Peace, and Conflict, Second Edition

Encyclopedia of Violence, Peace, and Conflict, Second Edition

The 2nd edition of *Encyclopedia of Violence, Peace and Conflict* provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life.

Building on the highly-regarded 1st edition (1999), and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over, the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies, and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change.

Covering topics as diverse as Arms Control, Peace Movements, Child Abuse, Folklore, Terrorism and Political Assassinations, the Encyclopedia comprehensively addresses an extensive information area in 225 multi-disciplinary, cross-referenced and authoritatively authored articles.

In his Preface to the 1st edition, Editor-in-Chief Lester Kurtz wrote: "The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately. We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully. Instead, we have increased the lethality of our combat through revolutions in weapons technology and military training. The *Encyclopedia of Violence, Peace, and Conflict* is designed to help us to take stock of our knowledge concerning these crucial phenomena."

Ten years on, the need for an authoritative and cross-disciplinary approach to the great issues of violence and peace seems greater than ever.

- * More than 200 authoritative multidisciplinary articles in a 3-volume set
- * Many brand-new articles alongside revised and updated content from the First Edition
- * Article outline and glossary of key terms at the beginning of each article
- * Entries arranged alphabetically for easy access
- * Articles written by more than 200 eminent contributors from around the world

From reader reviews:

Tammy Pursell:

With other case, little individuals like to read book Encyclopedia of Violence, Peace, and Conflict, Second Edition. You can choose the best book if you want reading a book. Given that we know about how is important a book Encyclopedia of Violence, Peace, and Conflict, Second Edition. You can add understanding and of course you can around the world by the book. Absolutely right, due to the fact from book you can understand everything! From your country until foreign or abroad you may be known. About simple factor until wonderful thing you may know that. In this era, you can open a book as well as searching by internet product. It is called e-book. You may use it when you feel fed up to go to the library. Let's examine.

Steven Allen:

As people who live in typically the modest era should be update about what going on or facts even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know what one you should start with. This Encyclopedia of Violence, Peace, and Conflict, Second Edition is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Brandi Johnson:

The book Encyclopedia of Violence, Peace, and Conflict, Second Edition has a lot associated with on it. So when you read this book you can get a lot of profit. The book was written by the very famous author. Mcdougal makes some research just before write this book. This specific book very easy to read you can find the point easily after scanning this book.

Jessica Seymore:

Precisely why? Because this Encyclopedia of Violence, Peace, and Conflict, Second Edition is an unordinary book that the inside of the book waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book close to it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the e-book store hurriedly.
