Isle of Dogs

Patricia Cornwell

Isle of Dogs Patricia Cornwell

Patricia Cornwell's novels of big-city police have taken this classic genre to a new level. "Move over, Carl Hiaasen, you've got company," the *San Francisco Examiner* warned. "Patricia Cornwell has switched to Hiaasen's world of black humor and nearly conquers it." *USA Today* concurred: "Cornwell has coined a new penny." With *Isle of Dogs*, Cornwell outdoes herself with a wry tale of life and turmoil behind the blue wall.

Chaos breaks loose when the governor of Virginia orders that speed traps be painted on all streets and highways, warning that speeders will be caught by monitoring aircraft flying overhead. But the eccentric Isle of Tangier, 14 miles off the coast of Virginia in the Chesapeake Bay, responds by declaring war on its own state. Judy Hammer, newly installed as the superintendent of the Virginia State Police, and Andy Brazil, a state trooper and Hammer's right hand and confidant, find themselves at their wits' end as they try to protect the public from the politicians, and vice versa, in this pitch-perfect, darkly comic romp.
