*“But only be good, dear, only be brave, only be kind and true always, and then you will never hurt any one, so long as you live, and you may help many, and the big world may be better because my little child was born. And that is best of all, Ceddie, — it is better than everything else, that the world should be a little better because a man has lived — even ever so little better, dearest.”*

Frances Hodgson Burnett's conviction that love conquers all is memorably embodied in this classic rags-to-riches tale of an American boy who is transported from the mean streets of nineteenth-century New York to the splendor of his titled grandfather's English manor.

Polly Hovarth writes that Little Lord Fauntleroy "was the Harry Potter of his time and Frances Hodgson Burnett was as celebrated for creating him as J. K. Rowling is for Potter." During the 1880s, fashions in the book became popular with velvet Lord Fauntleroy suits being sold, as well as other Fauntleroy merchandise such as velvet collars, playing cards, and chocolates.

The Reginald Birch illustrations for the 1886 edition sparked a very romantic style of dress for boys which would endure into the early twentieth century.
