I wrote these emails to the one I love and the one I truly cherish on this earth. They encompass our every passionate desire, and they are the ones you can cry with. Through these emails I made a medium where I could channel my inner thoughts. A rollercoaster you will never forget. I have apologized for many things that have gone wrong in my life, and I hope through this she can forgive me and let me have the chance I was always hoping for. All the emails are left untouched and unedited. There are quite a few grammatical errors. => I know.
