Preaching to a Shifting Culture: 12 Perspectives on Communicating that Connects

The church in America is part of a changing culture, and today's preachers must be prepared to engage the unique issues of our postmodern age.

Editor Scott M. Gibson has skillfully combined the works of many well-known preachers, including Haddon Robinson and Bryan Chapell, into one practical guide written for present and future church leaders. Including questions for reflection and suggestions for further reading, this helpful resource addresses important topics such as preaching to a postmodern audience, pluralism, and the intersection of preaching and psychology.

"Preaching to a Shifting Culture is a must-read for preachers. It intensified my passion to preach Scripture, it clarified for me some critical issues related to preaching, and it triggered some ideas and strategies I will build into my preaching."--Steve Mathewson, author of *The Art of Preaching Old Testament Narrative*

"A stimulating potpourri of evangelical insights for changing times."--Michael Quicke, Charles Koller Professor of Preaching and Communications, Northern Baptist Theological Seminary

"Timely and relevant, this collection of essays thoughtfully explores the issues facing today's preacher and calls today's preacher to thoughtfully face the issues."--Patricia Batten, pastor, Village Baptist Church, Kennebunkport, Maine

"Those who are called to proclaim the Word in a contemporary setting will benefit from the analysis and suggestions offered in this outstanding collection."--Michael Duduit, editor, *Preaching* magazine
