Kenneth Morgan

Slavery, Atlantic Trade and the British Economy, 1660-1800 (New Studies in Economic and Social History) Kenneth Morgan

This book considers the impact of slavery and Atlantic trade on British economic development during the beginning of British industrialization. Kenneth Morgan investigates five key areas within the topic that have been subject to historical debate: the profits of the slave trade; slavery, capital accumulation and British economic development; exports and transatlantic markets; the role of business institutions; and the contribution of Atlantic trade to the growth of British ports. This stimulating and accessible book provides essential reading for students of slavery and the slave trade, and British economic history.
