Karyn Z. Sproles

## Desiring Women: The Partnership of Virginia Woolf and Vita Sackville-West Karyn Z. Sproles

On 23 September 1925, Virginia Woolf wrote to Vita Sackville-West: 'if you'll make me up, I'll make you.' In *Desiring Women*, Karyn Sproles argues that the two writers in fact 'made' each other. Woolf and Sackville-West produced some of the most vibrant and acclaimed work of their respective careers during their passionate affair, and Sproles demonstrates how this body of work was a collaborative project - a partnership - in which they promised to reinvent one another.

Sproles argues that in all they wrote during their affair - essays, criticism, novels, poems, biographies, and personal letters - Woolf and Sackville-West struggled to represent their desire for one another and to resist the social pressures that would deny their passion. At the centre of this literary conversation is *Orlando*, Woolf's biography of Sackville-West. Sproles restores *Orlando* to the context of Woolf and Sackville-West's discussion of gender and sexuality and demonstrates its importance in Woolf's oeuvre. Sexy and provocative, *Desiring Women* re-imagines Woolf and Sackville-West as daring, funny, beautiful, and bent on resisting the repression of women's desires.
