"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It's Perfectly Normal*." —*Booklist* (starred review)

How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. *It's So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It's Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.
