Let the Games Begin is a thriller filled with mystery, suspense, and enough sexual sensations to whet your appetite. The book is about private investigator Mike Wayne, who takes on a case that leads him down dark streets and avenues. He enlists the help of his best friend, police detective Dave Lewsa, but bad things follow him everywhere, almost killing him. Even though he seems to have a little bit of luck, he does succumb to all this tragedy. He gets thrown into an organized crime syndicate bent on terrorism and espionage, with plans sold to the highest bidder. Mike Wayne has more love interests than James Bond. He is not your typical investigator; he stops at nothing and has that “I don't give a damn” attitude. His main goal is to get to the bottom of the case. You will not be disappointed in this book of crime drama, with more twists and turns than you can imagine. “Let the games begin!”
