## Money Doctors: The Experience of International Financial Advising 1850-2000

The book brings together internationally respected specialists from economics, history and political science such as Harold James, Louis Pauly and Kenneth Mouré. First providing a short history of money doctors, the book then goes on to cover such themes as:

- \*the IMF and policy advice
- \*the Russian experience
- \*contemporary money doctors.

The book shows that there is still a long way to go before international financial advice develops into something that is truly helpful in the long term.
