Teaching Adolescent Writers Kelly Gallagher

In an increasingly demanding world of literacy, it has become critical that students know how to write effectively. From the requirements of standardized tests to those of the wired workplace, the ability to write well, once a luxury, has become a necessity. Many students are leaving school without the necessary writing practice and skills needed to compete in a complex and fast-moving Information Age. Unless we teach them how to run with it, they are in danger of being run over by a stampede—a literacy stampede.

In Teaching Adolescent Writers, Kelly Gallagher, author of *Reading Reasons* and *Deeper Reading*, shows how students can be taught to write effectively. Kelly shares a number of classroom-tested strategies that enable teachers to:

- understand the importance of teaching writing;
- motivate young writers;
- see the importance modeling plays in building young writers (modeling from both the teacher and from real-world text);
- understand how providing choice elevates adolescent writing (and how to allow for choice within a rigorous curriculum);
- help students recognize the importance of purpose and audience;
- assess essays in ways that drive better writing performance.

Infused with humor and illuminating anecdotes, Kelly draws on his classroom experiences and work as co-director of a regional writing project to offer teachers both practical ways to incorporate writing instruction into their day and compelling reasons to do so.

From reader reviews:

Margie Sutton:

The e-book with title Teaching Adolescent Writers has lot of information that you can find out it. You can get a lot of gain after read this book. This book exist new knowledge the information that exist in this e-book represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you with new era of the internationalization. You can read the e-book on your own smart phone, so you can read the idea anywhere you want.

Juan Turgeon:

Why? Because this Teaching Adolescent Writers is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Robert Dunham:

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Teaching Adolescent Writers, you may enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't have it, oh come on its called reading friends.

Regina Hash:

Reading a book being new life style in this yr; every people loves to read a book. When you study a book you can get a lot of benefit. When you read guides, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, and soon. The Teaching Adolescent Writers offer you a new experience in looking at a book.
