Unstoppable Forces Will Either Propel You to Victory or Bury You on Page 2-3-4 of Google's Search Results.

You Either Win or Lose.

Things aren't getting any easier out there. Which is why we're introducing a new weapon for winning the war on the right side of the page: The Ultimate Guide to Google AdWords.

Record numbers of people are coming to the web to do business. As the offline economy stumbles and falters, as politicians promise helpless, ineffective solutions, the Internet continues to heat up.

Never before has being at the bottom of the AdWords heap been so expensive or cost you more time than it does right now.

And:

Never before have so many people been trying to climb to the top of the AdWords heap!

Staying at the front of the Google AdWords wavefront is critical to the continued success of your business. If your rival gains the upper hand, the long-term consequences may be grave.

When you prevail, the benefits of dominating a market continue to earn compound interest. Market Dominators still control their own destiny and still make the majority of the profits.

Even in the present crunch, it is still possible to prosper. If you are going to prosper this year.... Prepare for battle.

If getting visitors to your site via Google AdWords is oxygen for your business (even if you're doing comfortably well), don't you even think about resting on your laurels, because somebody is hungry to take what's yours.

If you stumble even for a minute, dozens of competitors are positioned to pounce.

When you're #1 in your market, you get the best customers, the best opportunities, and the best defense against competition. "The Winner Takes All."
