Zara (Galatic Cage Fighters) (Volume 4) K.D. Jones

In book four of the Galactic Cage Fighters: They call her—Zara the Amazon. She has been a fighter from birth, a fighter growing up, and a fighter with a life's mission, so it made sense for her to fight for a living. The Galactic Cage Fighter Association is the ideal venue. She is paid to do something she enjoys, which is fighting and kicking ass. At the same time, it takes her all over the different regions where she can continue her search for the prize possession that had been taken from her years ago. Special Agent Trig Roberts agrees to help the female fighter with her search. It is part of his job and he is the best at what he does. He travels with the GCFA while doing his investigation and finds himself frustrated when the beautiful leggy woman wants to be an active participant. He normally doesn't allow the inexperienced to get involved, but he has a hard time turning her down. As they spend more time together, he realizes there is more to the woman than she allows the world to see. He finds himself not only wanting to know more—but everything. As Trig and Zara proceed with their investigation, they uncover an illegal activity that could blow the roof off the governments. There are dangerous people who want to keep things under wrap and are willing to take the drastic measures to ensure their dirty secrets—stay secrets. Will Trig and Zara find what they are looking for? How long will they continue to fight their growing attraction for one another? And when all is said and done, will they survive the dangers thrown their way? Warning: Sexual explicit content. M/F
