## Sometimes a good girl needs to be bad.

I only had one shot. One chance to impress Clint Terrance, the baddest billionaire playboy in the NYC music scene. One song to make all my dreams come true.

So I did what I had to - I tugged on a sexy red dress, slipped on the highest heels I could stand in, and sung my heart out.

I never expected it to work.

Now he's after me. The *fake* me. And I'm starting to realize that one song was only the beginning, and a billionaire's desire is more dangerous than even I can handle.

I've always been a good girl. All I've ever cared about was my family, my music, and the farm I grew up on. I've built my whole life around that, and I'm in a good place. A stable place.

*So why does one man's touch make me want to throw it all away?*
