Slavery, Terrorism and Islam Peter Hammond

This is a fascinating, well illustrated and thoroughly documented response to the relentless anti-Christian propaganda that has been generated by Muslim and Marxist groups and by Hollywood film makers. As Karl Marx declared: “The first battlefield is the re-writing of History!” “Peter knows first hand the nature of the enemy the West is facing and exposes it brilliantly in this book on Islam. He begins by documenting the close relationship between Islam and slavery and then chapter by chapter reveals the terrible cost of thirteen centuries of Islamic invasion, conquest and brutalisation. This is a book that every Christian should read and pass along to friends; and one that every home-schooling family should require as part of their children’s curriculum.” Dr. Brian M. Abshire “Dr. Peter Hammond cuts through layers of misinformation and uncovers astonishing historical facts and details long buried by Islamic revisionists. You’ll find out their real agenda for tomorrow by discovering what they actually did yesterday – plus a field-tested plan of how to win Muslims to Christ.” Rev. Bill Bathman “For the sake of this generation, and coming ones, someone had to do what Dr. Peter Hammond has just done; setting the record straight on the different role players in the slave trade.” Rev. Fano Sibisi “Slavery, Terrorism & Islam, is must reading to all those who want to find out the roots of the Terrorism that is threatening global security.” Rev. Jeffreys Kayanga
