Social Theory for Today: Making Sense of Social Worlds Alex Law

"This book is distinctive for extending the usual sociological reach, reopening territory that has lain fallow, set aside from the well-ploughed fields of orthodox social theory. In doing so, Law not only produces fresh insight into familiar theorists but guards against collective forgetting of the sociological canon."

- **Professor Bridget Fowler, University of Glasgow**

"An excellent book, it will be welcomed and read widely by advanced undergraduates, postgraduates and scholars in sociology, cultural studies, social theory and beyond."

- **Professor Chris Shilling, University of Kent**

Social Theory for Today guides students through the 'turns' of past and present social theory as it attempts to wrestle with a recurring sense of crisis in social relations and social theory. Drawing on both classical and contemporary sources, Alex Law provides readers with a firm grasp of competing perspectives.

Too often social theories attempt to dominate the field by casting rival theorists, past and present, as deluded fools, while the more familiar 'big names' in social theory are subject to ever-increasing commentary that runs in ever-decreasing circles. This survey of social theory and crisis lessens the temptation to engage in internal theoretical polemics and esoteric wordplay. Social theory must become practical and specific if it is to become a means of orientation for uncertain times.

This is a must-read for upper level undergraduate and postgraduate students looking for a vibrant and extended understanding of social theory.

Henry Carlino:

What do you concerning book? It is not important to you? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question since just their can do that. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of Social Theory for Today: Making Sense of Social Worlds to read.

Patricia Ackermann:

Is it anyone who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This Social Theory for Today: Making Sense of Social Worlds can be the answer, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Norma Barnes:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Social Theory for Today: Making Sense of Social Worlds can make you truly feel more interested to read.
