Still Life

Louise Penny

Still Life Louise Penny

Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards.

Chief Inspector Armand Gamache of the Surêté du Québec and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it's a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bowhunter.

Still Life introduces not only an engaging series hero in Inspector Gamache, who commands his forces--and this series--with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny.

From reader reviews:

Phillip Permenter:

Here thing why this Still Life are different and reliable to be yours. First of all reading through a book is good nevertheless it depends in the content of the usb ports which is the content is as yummy as food or not. Still Life giving you information deeper and different ways, you can find any book out there but there is no guide that similar with Still Life. It gives you thrill reading through journey, its open up your own personal eyes about the thing that happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in area, café, or even in your approach home by train. If you are having difficulties in bringing the branded book maybe the form of Still Life in e-book can be your substitute.

Susan Parker:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is inside former life are hard to be find than now's taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Still Life as your daily resource information.

Mildred Hall:

This book untitled Still Life to be one of several books this best seller in this year, that's because when you read this guide you can get a lot of benefit in it. You will easily to buy this particular book in the book shop or you can order it by using online. The publisher on this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Touch screen phone. So there is no reason for you to past this publication from your list.

Michael Clements:

Do you like reading a book? Confuse to looking for your best book? Or your book was rare? Why so many issue for the book? But almost any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but in addition novel and Still Life or maybe others sources were given information for you. After you know how the fantastic a book, you feel desire to read more and more. Science reserve was created for teacher or students especially. Those guides are helping them to include their knowledge. In some other case, beside science book, any other book likes Still Life to make your spare time more colorful. Many types of book like here.
