"From now on, this book will stand as an important reference point for all product management teams."
-Mark Elliott, Vice President Product Management, Smiths Detection
"*The Product Manager's Desk Reference* is the book all product managers have been waiting for. It is concise, to the point, and comprehensive."
-Jeff Anderson, Senior Vice President Product Management, Franklin Covey
"Steven Haines covers this multifaceted topic in a systemic manner that makes the book easy to navigate. His groundbreaking proposal that Product Management become a formal disciple is an accurate reflection of the acute need for these skills in the business community."
-Dan O'Day, Senior Director Product Management, Thomson Reuters
About the Book
Whether a business sells tangible goods or services, product management holds a critical position in the organization's pursuit of profits. Because traditional departmental roles continually evolve, and because the business climate is so competitive, the job of product manager has become exceedingly critical--yet it remains very complex. *The Product Manager's Desk Reference* is the first book to lay down a comprehensive body of knowledge for this critical function, and it is the only book that can effectively guide product managers so that they can establish and build a successful career in product management.
Here, product management expert and practitioner Steven Haines clearly illustrates the entire product life cycle, from beginning to end. This outstanding work is packed with an array of best practices and helpful hints which are critical to the efficient management of products.

The Product Manager's Desk Reference is punctuated with useful diagrams, tables, and templates and will help you:

- Create a master plan of record for your product
- Formulate actionable strategies
- Incorporate market data into important decisions
- Set the stage for creating innovative products
- Optimize existing products and product portfolios
- Apply financial techniques to manage product profitability

The Product Manager's Desk Reference embodies everything "Product Management." It is a comprehensive, versatile, must-have resource for anyone who works in any company, in any industry, who seeks to successfully and profitably market and manage products and services.
