The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony: Against an Aristocracy of Sex, 1866 to 1873 (Selected Papers of Elizabeth Cady Staton and Susan B. Anthony)

Against an Aristocracy of Sex, 1866-1873 is the second of six volumes of the *Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony*. The entire collection documents the friendship and accomplishments of two of America's most important social and political reformers. Though neither Stanton nor Anthony lived to see passage of the Nineteenth Amendment in 1920, each of them devoted fifty-five years to the cause of women's suffrage.

The second volume picks up the story of Stanton and Anthony at the end of 1866, when they launched their drive to make universal suffrage the priority of Reconstruction. Through letters, speeches, articles, and diaries, this volume recounts their years as editor and publisher of the weekly paper the *Revolution*, their extensive travels, and their lobbying with Congress. It touches on the bitter division that occurred among suffragists over such controversial topics as marriage and divorce, and a national debate over the citizenship of women under the Fourteenth and Fifteenth Amendments. By the summer of 1873, when this volume ends, Anthony stood convicted of the federal crime of illegal citizenship of women under the Fourteenth and Fifteenth Amendments. By the summer of 1873, when this volume ends, Anthony stood convicted of the federal crime of illegal voting. An irate Stanton warned, "I felt afresh the mockery of this boasted chivalry of man towards woman."
