You CAN Get There From Here is a fast-paced, easy read that will catapult you from where you are now to the life of your dreams. A small book with a big serving of information, inspiration, humor, and every-day, real-world examples, it meets you where you are, right now, with all the current people, places and experiences in your life and gives you a process and easy-to-use tools to guide you beyond this current “you are here” place to the destination of your dreams: your very own Phenomenal Life. Through reading this book you’ll learn how to identify the beliefs that are holding you back from what you say you want. You’ll learn what to do about these limiting beliefs so you can go beyond them and adopt new and empowering beliefs instead. You’ll learn about the Law of Attraction in a down-to-earth way that is explained so clearly that you can get it working in your favor, once and for all, even if you’ve “tried it” before and concluded “it doesn’t work”. You’ll learn how to do different types of Tapping and how to Visualize “with a twist”. These straightforward tools and step-by-step instructions give you the power to transcend the current sticking points that are keeping you from experiencing what you want. And you’ll see that all of the tools and techniques in the book have been “tested in the field” by the author, who herself used everything she shares with you to transcend a dreary existence where she felt hopeless, alone and on the verge of suicide, to the life of her dreams; a life that gets more amazing every day as she continues using the tools she shares with you! Whether you’re in a dark place and feel rather hopeless, or if you’re in a good place but just haven’t quite closed in on great, do yourself a favor and spend a few hours reading this book and doing the exercises. You will be glad you did.
