That's a self fulfilling prophecy of misery. Do you want your boyfriend or husband back? Not only back but with a better relationship than before? Then stop being miserable and start taking action! Get ready to get your man back.

While everyone is different, there really isn't much difference when it comes to triggering the human psyche and a man's brain.

This book will teach you how to turn your distant ex into a hungry pursuer that will be loyal to you. You will tap into quantum mechanics and this is what really separates this book from others. If you can dream and believe in principals of using your mind to create what you want, this book will even go beyond that. While there is nothing wrong with affirmations or positive thinking, you need much more powerful tools in your tool belt to deal with this situation.

I know you need a step-by-step guide based on your situation and that's why I am going to teach you how to get your man running back to you by:

- Composing yourself
- Redefining yourself
- Pouring power into yourself
- Turning on the power of your mind and setting the Universe in motion
- Influencing his brain to think about you non stop
- Re-engaging in your social life
- How to handle when he contacts you so you can drive him crazy (in a good way)
- How to keep him drooling over you for years to come
