## **The Shadows Trilogy (Box Set: Edge of Shadows, Shadows Deep, Veiled Shadows) Cege Smith**

In this paranormal trilogy, witness the collision of good and evil between the beings that live just on the other side of the threshold inside the haunted Bradford mansion...

### **EDGE OF SHADOWS (Shadows #1)**

Orphaned at eight years old, Ellie developed an ability to help her navigate the cold, indifferent world where she found herself. Armed with the knowledge of a person's true intentions, she learned it was safer to be alone. Then Jake Coulter slipped through her defenses by offering the promise of a normal, happy life. After narrowly escaping a dark truth that Jake hid from her, Ellie retreated from the world in an act of self-preservation.

Drawn out of her protective bubble when a friend insists on playing matchmaker, Ellie meets a handsome doctor. With some persistent coaxing, Ellie warms to the idea that she may have found a reason to let her guard down. She rediscovers her hope for an ordinary, yet extraordinary life.

Accepting a seemingly innocent favor, Ellie finds herself the caretaker of the Bradford mansion, an impressive home with its own mysterious past. Curious about a life that she could never have, she delves into the mansion's history. Soon Ellie realizes that danger lurks in its empty rooms. When Jake resurfaces with premonitions of Ellie's death, Ellie's new life is turned upside down as a simple truth is revealed. Ellie's life can never be normal because something old and evil has been searching for her for a long time. And now it has found her.

### **SHADOWS DEEP (Shadows #2)**

Ellie Coulter made a deal with the devil to save herself and her new love, and now it's time to pay the price.

It doesn't take long for Ellie to realize that the shadows that have swirled around her life since her parents' death were far from a coincidence. As more of her true destiny is revealed, it comes with the knowledge that she is a lynchpin in a much larger and more dangerous game. Mikel, Hell's emissary to her new "home" in the Afterlife has her trapped and he has no intention of ever letting her go.

As Ellie races to find a way to escape, she is sucked further into the darkness and must come face to face with ugly truths about who she really is. She has to decide who she can trust and that includes the man she loves. As facts give way to lies, Ellie begins to question everything. But one thing remains clear: Ellie must find a way to defeat her captor before she loses everything, including her soul.

### **VEILED SHADOWS (Shadows #3)**

In the stunning conclusion of the Shadows trilogy, Ellie and David risk everything to uncover the truth about their pasts...

Ellie Coulter is sick of being the victim of the shadows surrounding her new life. She's ready to find out the

secret that her parents kept from her and what that means for her future, even if it means partnering with the one man that she thought she'd never see again.

David Mitchell is grappling with the sobering truth that his life has been nothing but a sham since the day he was born. Although he loves Ellie, he knows that being near him puts her life in danger. The day his fate was changed caused horrible consequences that he must find a way to fix.

Fates intertwine, and all is revealed as Ellie and David find out if they were truly meant to be together or if the darkness will swallow them whole.
