This collection of motivational quotes, slogans, and poems for athletes and coaches was compiled over the course of a 35-year career in education and coaching. It is hoped that this material will help to motivate, and inspire both male and female athletes and coaches of all ages. While the cover image may suggest the book focuses on the sport of basketball, this book is appropriate for all sports and athletic endeavors. In addition, while many of the quotes and slogans that appear in the book incorporate the words “he” and “his”, the words “she” and “hers” could just as easily be substituted in many cases without altering the meaning of each item.
