She originally plans to go to a bar owner's conference, but quickly realizes the place is crawling with the same creeps that she knows back home. As luck would have it, however, an important tech conference is taking place in the same town, and some of the most powerful, richest people in the industry are there.

For Susan, it's a golden opportunity. And when she meets Paul, a billionaire from the industry, it becomes more than just an opportunity--it becomes a steamy romance at first sight.
