Advances in Surgical Pathology: Endometrial Carcinoma Anna Sienko MD

Part of the popular Advances in Surgical Pathology Series, this volume is a concise, updated review of the pathological characteristics of endometrial cancer. It emphasizes the histologic correlation, clinical management, and treatment of endometrial cancer, and features current and emerging concepts in the field. The book provides a resource for the timely updates in knowledge that are necessary for daily practice, for current credentialing, and for the self-assessment modules for recertification (MOC).

A free companion web site features fully searchable text as well as over 130 full-color images.
