Grandma in Blue with Red Hat Scott Menchin

When a young boy learns about what makes art special—sometimes it's beautiful, sometimes it's funny, sometimes it tells a story—he realizes that these same characteristics are what make his grandmother special, too. As a result, he finds the inspiration to create his own masterpiece that's one of a kind.

Christopher Award–winning author Scott Menchin and *New York Times* bestselling illustrator Harry Bliss have teamed up for a celebration of the power of art and expression, and the extraordinary love between grandparent and child.
