Jesus The Christ - Enhanced E-Book Edition (Illustrated + Audio Links) James E. Talmage

“Our Lord's descent from the holy heights of the Mount of Transfiguration was more than a physical return from greater to lesser altitudes; it was a passing from sunshine into shadow, from the effulgent glory of heaven to the mists of worldly passions and human unbelief; it was the beginning of His rapid descent into the valley of humiliation.” - James E. Talmage.

First published in 1915, Jesus the Christ is the classic Latter-day Saint presentation of the life and ministry of the Savior. Elder Marion G. Romney said, "One who gets the understanding, the vision, and the spirit of the resurrected Lord through a careful study of the text Jesus the Christ by Elder James E. Talmage will find that he has greatly increased his moving faith in our glorified Redeemer."

James E. Talmage's seminal doctrinal study on the life and ministry of Christ is presented here for the first time in Enhanced E-Book format. It includes links to free audio recordings of the work and a stunning gallery showcasing Mormon individuals and life throughout history.

This special edition has been completely optimized for perfect Kindle readability, and for the first time the chapter end notes have been included with the footnotes for ready reference.
