## **On the Run International Mysteries Boxed Set: Volume I** Sara Rosett

First three books of the On The Run series, Elusive, Secretive, and Deceptive. Will appeal to fans of Elizabeth Peter's Vicky Bliss series or Romancing the Stone, with its mix of mystery, international travel, and light romance.

**Elusive:** Zoe Hunter loves living on the edge. Free-spirited and spontaneous, she's built a life stringing together various freelance gigs that keep her bank account barely in the black. But when her ex, Jack, goes missing along with several million dollars from his business and the FBI zeros in on her as a person of interest, Zoe's life goes from delightfully unpredictable to downright frightening.

**Secretive:** Zoe Hunter thought all the questions surrounding her ex's mysterious past had been answered. She couldn't have been more wrong.

**Deceptive:** A picture may be worth a thousand words, but a missing masterpiece is worth millions in cold hard cash...
