The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) Washington University School of Medicine Department of Medicine

Prepared by residents, fellows, and attending physicians, this handbook is a practical guide to the general internal medicine consult. The content is based on the top 25 most common general internal medicine consults as seen by the hospitalist. The focus is on management issues, with additional material on the perioperative care of the patient with a medical condition. Clinical evidence is presented along with the official guidelines advocated by major medical organizations.

This Second Edition is completely revised and updated. Illustrations have been added, and key points about diagnosis and management have been bulleted for easy reference.

The Washington Manual® is a registered mark belonging to Washington University in St. Louis to which international legal protection applies. The mark is used in this publication by LWW under license from Washington University.

From reader reviews:

Debbie Brown:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series), you could enjoy both. It is fine combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

Gregory Jones:

Your reading 6th sense will not betray you actually, why because this The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) publication written by well-known writer who knows well how to make book that may be understand by anyone who else read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still doubt The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) as good book not only by the cover but also with the content. This is one book that can break don't ascertain book by its include, so do you still needing one more sixth sense to pick this!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

Andre Botsford:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your small amount of time to read it because all of this time you only find reserve that need more time to be study. The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) can be your answer mainly because it can be read by an individual who have those short free time problems.

Mark Klein:

That publication can make you to feel relax. That book The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) was vibrant and of course has pictures around. As we know that book The Washington Manual® General Internal Medicine Subspecialty Consult (The Washington Manual® Subspecialty Consult Series) has many kinds or genre. Start from kids until teens. For example Naruto or Private investigator Conan you can read and believe you are the character on there. Therefore , not at all of book are generally make you bored, any it can make you feel happy, fun

and loosen up. Try to choose the best book in your case and try to like reading in which.
