Wedding Planning Made Easy: Featuring DIY and Green Wedding Ideas from WedSpace.com contains all the essentials for arranging the perfect wedding. This comprehensive, user-friendly wedding planner allows brides to plan their wedding with ease.

This beautiful book includes options, things to consider, tips and advice for all the major wedding planning categories such as ceremony, attire, photography, videography, stationery, reception, music, bakery, flowers, decorations, gifts and more.

Also provided are the most creative, crafty, and elegant do-it-yourself wedding projects around. Projects include detailed steps, full-color photos, lists of materials, as well as the time needed for the project and the cost of materials. Brides can quickly determine which DIY wedding projects can help save them money and fit their timeline. These projects are perfect for seasoned and beginning DIYers alike.

Wedding Planning Made Easy also features inspiration for making any aspect of the wedding “green.” Special sections provide information on the best tools and important resources for green options, such as upcycling (an eco-friendly technique that repurposes used materials into new items), and making over vintage items into new, modern wedding décor. These DIY and green wedding ideas are compiled from WedSpace.com, the first and only social networking community for engaged couples and wedding professionals. These beautiful ideas will help couples save money and give their weddings a personal, handmade touch.

Wedding Planning Made Easy is one of the best-selling wedding planning books at all major bookstores in North America, such as Barnes & Noble and Borders.
