Wanted: Sexy sun-kissed surfer for hot summer fling

Innocent Alexia Burton needs to become sexually confident for an upcoming acting role, and that means taking a lover. Someone she's attracted to. Someone who'll teach her what she needs to know, but not ask for more than she's prepared to give. She needs to learn the intensity of true desire and then have him walk away.

Parker Hargreaves is determined to make amends for treating Alexia badly all those years ago. He's changed and wants her to think better of him. If that means letting her sharpen her sexual moves on him so be it. He'll do it. His playboy reputation certainly won't suffer.

He just doesn't count on walking away being so hard.
