The paper on Holland which constitutes Part I of this book has now been expanded to more than double the proportions of The Land of Pluck as printed a few years ago in St. Nicholas. The stories and sketches composing Part II are here for the first time collected in book form. The frontispiece Two Boys of Holland has been engraved from a fine Dutch painting, attributed to Cuyp, and owned by Mr. Charles T. Barney of New York, who courteously allowed it to be copied for use in this volume.

(Typographical errors above are due to OCR software and don't occur in the book.)
