*Mark Twain*

**The Prince and the Pauper** Mark Twain

**Samuel Langhorne Clemens, better known as Mark Twain, is perhaps America's favorite author.** A quick-witted humorist who wrote travelogues, letters, speeches, and most famously the novels *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1885), Twain was so successful that he became America's biggest celebrity by the end of the 19th century. Despite writing biting satires, he managed to befriend everyone from presidents to European royalty.

***The Prince and the Pauper* is a historical fiction about a poor boy living with his father and the Tudor king, Edward VI, the teenage son of Henry VIII.** Once again, Twain uses the backdrop of England to deliver his own social commentary, this time about England's justice system, thereby cleverly remarking about contemporary England while using historical England as the story's background.
