Eve: A Novel

WM. Paul Young

Eve: A Novel WM. Paul Young

From the author of the twenty-five-million-copy bestseller *The Shack* comes a captivating new novel destined to be one of the most talked-about books of the decade.

Eve is a bold, unprecedented exploration of the Creation narrative, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional beliefs about who we are and how we're made. *Eve* opens a refreshing conversation about the equality of men and women within the context of our beginnings, helping us see each other as our Creator does—complete, unique, and not constrained by cultural rules or limitations.

When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken, frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers that her genetic code connects her to every known race. No one would guess what her survival will mean...

No one but Eve, Mother of the Living, who calls her “daughter” and invites her to witness the truth about her own story—indeed, the truth about us all.

As *The Shack* awakened readers to a personal, non-religious understanding of God, *Eve* will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden.

Thoroughly researched and exquisitely written, *Eve* is a masterpiece that will inspire readers for generations to come.
