Excerpt from Sesame Lilies: The Two Paths the King of the Golden River

" Whatever bit of a wise man's work is honestly and benevolently done, that bit is his book or his book or his piece of art." - J. R. 1864

To introduce writings of John Ruskin to any class of English readers ought to be absurdly unnecessary, notwithstanding the fact that they have been beyond the recognized means of many persons: who nevertheless have, some of them, spent an equal amount in ephemeral or less worthy literature. Others have determined to possess them at any cost; thereby showing the appreciative and discriminating spirit desired and contemplated by their author in fixing the price high; for he wished his writings to be bought and used by people who would appreciate them, not bought only, nor yet obtained easily without any sacrifice.

Undoubtedly, however, the price of the books has made them actually if not theoretically unknown to the greater number of the populace; and so, now that they have become easily accessible, a preface of the most simple character may be temporary help to new readers.

Such alone shall be the aim of this introduction: it shall make no attempt to re-word anything which the author has already perfectly said; nor shall it attempt to speak to scholars; it shall merely give initial information sufficient to introduce another selection from these great writings to the unlearned and the simple.
