The potential of the human brain is phenomenal, and **Tony Buzan** has been a pioneer in researching that potential and helping people learn how to make the most of their brainpower. **The Mind Map Book** is his most important and comprehensive book on the subject. It offers exciting new ways of using and improving memory, concentration, and creativity in planning and structuring thought on all levels, in order to accelerate the ability to learn, remember, and record information.

**Mind Mapping** and **Radiant Thinking** are groundbreaking methods of accessing intelligence, developed over many years by the author, and in **The Mind Map Book** he provides a complete operating manual for all who want to use their brains to their fullest potential. It is a process currently used with extraordinary success by multinational corporations, leading universities, champion athletes, and outstanding artists. Featuring a range of stimulating exercises and a lavish collection of full-color photographs and original **Mind Maps** that illustrate the technique, it shows you precisely how to:

- Mirror and magnify your brain's pattern of perception and association in the way you learn, think, and create
- Quickly master the right way to take notes, organize a speech, a writing assignment, a report
- Join with others to pool thinking productively, memorize a mammoth amount of data, free your ideas to grow and expand constantly in depth and dimension
