Wilder: The Chosen Ones Christina Dodd

Only beloved author Christina Dodd could bring you the explosive paranormal excitement of the Chosen Ones combined with Aleksandr Wilder's story ... and redemption...

As a young man, Aleksandr Wilder abandoned his duty--and for that lapse, he was tortured, tormented ... and transformed. Now he prowls the tunnels beneath the city, fighting on the frontline against the forces of hell, never daring to dream that he can live as a man again.

After seven years fighting the world's ultimate evil, Chosen One Charisma Fangorn has become a tough, strong warrior without illusions or joy...even her gift of hearing the earthsong has faded. Deaf to her own instincts, she never suspects that a monster lurks in the dark underneath the streets.

When Aleksandr finds Charisma under attack, he rescues and cares for her, and hope stirs once more in his heart...and in the world. But in the secret recesses of his soul, he knows the truth. A woman so exceptional could never love a beast...could she?

Customers who like books by Christine Feehan and J. R. Ward will enjoy this story.
