"This cookbook has it all; it has pics of ALL THE RECIPES. This has been an ongoing rant of mine. So many Kindle cookbook authors simply type out recipes and don't have pics of the recipes. This book does. It also has nutrition information which is a very valuable addition. There are a lot of people counting calories for obvious health reasons. It also has suggested variations on the recipes which I like. This is one of the best Kindle cookbooks that I have reviewed." Amber - Kindle Edition|Verified Purchase
