## Education and Civic Culture in Post-Communist Countries (Studies in Russian and East European History and Society)

This volume makes a valuable contribution to debates on the nature of civil society in post-communist countries by providing detailed case-studies of the relationship between education and civic culture. A team of specialists provide a comprehensive examination of everyday patterns of civic culture; the linkage between education and national identity, ethnicity; gender and religion; the experience and attitudes of youth; and attempts to render education systems better suited to the demands of post-communist society.
