Mafia Wife Lynda Milito, Reg Potterton

When Lynda Lustig met Louie Milito, she was a sixteen-year-old high-school dropout with a taste for adventure and an agonizing childhood. When they were married two years later, he was not yet a "made man" in the powerful Gambino crime family. Louie was a hairdresser who dabbled in petty thievery. But Lynda was so happy to be out of her domineering mother's loveless house. And over the years, she was willing to forgive her husband for anything: his violent rages, his frequent absences, his shady associates, and the blood on his hands. For twenty-four years Lynda Milito remained loyal to this charming and dangerous criminal -- her children's father and close friend of crime boss John Gotti and underboss Sammy "the Bull" Gravano. But in 1988, Louie Milito disappeared, murdered by the very people he had always trusted to protect him.

A crime story, a family story, a love story, *Mafia Wife* is the shockingly intimate, brutally honest tale of a survivor -- and of the life she lived in the dark bosom of the underworld.
