Qué harías si no tuvieras miedo / What would you do if you had no fear (Spanish Edition) Borja Vilaseca

Nos adentramos en una nueva era con nuevas reglas de juego. Es hora de vencer los miedos que nos impiden seguir en nuestro corazón, y emprender una función profesional útil, creativa y con sentido. Este libro es un experimento: pretende remover tus creencias acerca del dinero, el trabajo y el consumo que han determinado, en gran medida, el lugar que ocupas en el escenario laboral. Nos han educado para ser empleados obedientes, contribuyentes pasivos y consumidores voraces, perpetuando así el funcionamiento del sistema económico. Sin embargo, la crisis económica actual sumada a la de valores nos demuestran cada día que ese sistema caducó hace tiempo y que nos encontramos ante una nueva era, con unas reglas del juego radicalmente diferentes. Borja Vilaseca plantea que en este nuevo entorno de nada nos servirá indignarnos, actuar como víctimas y culpar a algo o a alguien externo. Por eso, el autor insiste en que asumamos nuestro papel de principales co-creadores de nuestras circunstancias socioeconómicas y que comencemos a reinventarlas, no sin antes reinventarnos a nosotros mismos. No se trata de que dejes tu trabajo. Ni de que curses otro máster. Al menos no todavía. Se trata de que tomes las riendas de tu vida y te hagas cargo de ti mismo, emocional y financieramente. Lo único que te separa de convertirte en el arquitecto de tu propia vida es el miedo a la libertad. Qué harías si no tuvieras miedo te ofrece un verdadero mapa para orientarte en ese viaje hacia tu realización profesional y personal.
