The Life of Anne Damer: Portrait of a Regency Artist

Jonathan David Gross

The Life of Anne Damer: Portrait of a Regency Artist Jonathan David Gross

The first biography of Anne Damer since 1908, *The Life of Anne Damer: Portrait of a Regency Artist*, by Jonathan Gross, draws on Damer's notebooks and previously unpublished letters to explore the life and legacy of England's first significant female sculptor. Best known for her portraits of dogs and other animals, Damer also created busts of England's most important political heroes, sometimes within days or hours of their historical accomplishments. This in-depth biography traces her life during the American Revolution, the French Revolution, the Peace of Amiens and the Hundred Days. Damer was convinced that art could have significant political influence, sending her bust of Nelson to the King of Tanjore to encourage trade with India. Her art stands at the transition between neoclassicism and romanticism and provides a wealth of insight into 19th century British sculpture. In the last twenty years, there has been a strong revival of interest in Damer's life, particularly in gay and lesbian studies due to her famous relationship with author Mary Berry. This text serves as a deeper investigation of this fascinating and important figure of British art history. The emotional ménage a trois of Anne Damer, Mary Berry, and Horace Walpole forms the heart of this new biography. Gross contends that all three individuals, had they led more conventional lives, would never have given the world the literary and artistic gifts they bestowed in the form of Strawberry Hill, *Belmour*, and *Fashionable Friends*. The struggles they faced will encourage modern readers to appreciate anew the fluidity of sexual identity and passionate friendship, as well as the restraints put in place by society to control them. Anne Damer's life has much to teach a new generation concerned with the complex relationship between love, art, and politics. *The Life of Anne Damer* will interest historians of Georgian England, and readers in the fine arts, literature, and history.

From reader reviews:

James Batts:

Book is written, printed, or highlighted for everything. You can know everything you want by a reserve. Book has a different type. As you may know that book is important matter to bring us around the world. Next to that you can your reading talent was fluently. A publication The Life of Anne Damer: Portrait of a Regency Artist will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It is far from make you fun. Why they could be thought like that? Have you looking for best book or appropriate book with you?

Darryl Payton:

This The Life of Anne Damer: Portrait of a Regency Artist book is just not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is actually information inside this publication incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. This particular The Life of Anne Damer: Portrait of a Regency Artist without we know teach the one who examining it become critical in thinking and analyzing. Don't possibly be worry The Life of Anne Damer: Portrait of a Regency Artist can bring any time you are and not make your case space or bookshelves' turn into full because you can have it in your lovely laptop even mobile phone. This The Life of Anne Damer: Portrait of a Regency Artist having very good arrangement in word and layout, so you will not sense uninterested in reading.

Omer Brown:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining for example comic or novel. The particular The Life of Anne Damer: Portrait of a Regency Artist is kind of book which is giving the reader unstable experience.

Ella Straw:

The reason? Because this The Life of Anne Damer: Portrait of a Regency Artist is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were you I will go to the

publication store hurriedly.
