After the Fact: The Art of Historical Detection

James West Davidson, Mark Lytle

After the Fact: The Art of Historical Detection James West Davidson, Mark Lytle

For more than twenty-five years, *After the Fact* has guided students through American history and the methods used to study it. In dramatic episodes that move chronologically through American history, this best-selling book examines a broad variety of topics including oral evidence, photographs, ecological data, films and television programs, church and town records, census data, and novels. Whether for an introductory survey or for a historical methods course, *After the Fact* is the ideal text to introduce readers, step by step, to the detective work and analytical approaches historians use when they are actually doing history.
