- Channel the old masters—painters such as Rembrandt and DaVinci are great inspiration
- Anticipate emotion—watch for laughter and surprise
- Embrace harsh lighting, backlighting, dappled sunlight and shade and use them to your advantage
- Emphasize texture and seek out patterns—repetition can be striking and bold
- Shoot from unexpected angles—sometimes the best shot is from below, behind, or above

Clickin Moms is contributing 100 percent of the royalties from *Capture the Moment* to the Ronald McDonald House, which provides accommodation for the families of seriously ill or injured children near the facility where a child is hospitalized.
