Let's Crochet! Monette Satterfield

This beginner-level book functions as a crochet course that takes the new hobbyist from elementary stitches to an intermediate skill level. Each chapter-length project is a lesson that builds on information featured in the Basics section and previous projects in the book. 20 projects range from a beginning-level scarf to an intermediate-level casual cushion. Also here are hats, a wrap skirt, a tote bag, a camisole, blankets, an oven mitt, pillows, and more. These projects are stylish enough to appeal to crocheters of all skill levels.
