Students write lots of reports, but how do they turn their hard work into appealing oral reports? Where can they learn to present their research with flair and style? Every student who will ever have to give an oral report needs the sure-fire techniques in this book. You'll find the basics of public speaking in clear language for children and busy teachers. Some of the topics covered are getting organized, preparing a great opener, using visual aids, involving the audience, and speaking with confidence. *Public Speaking* is a much needed resource that students, teachers, and parents can flip through or use cover-to-cover.

In this book students can learn how to organize information into a presentation that will interest and amaze their classmates. They will discover exciting ways to start a speech, and lots of intelligent techniques to use in the middle to keep the audience attentive. Here they will discover tricks to keep away from nervousness, and special, easy ways to remember what to say. Using these new skills, your students will be entertaining, informative, and confident.

For more guidance on verbal presentation see Speaker's Club.
