Another powerful novel by best-selling author Josi S. Kilpack that every LDS woman should read. The author sensitively depicts the pain associated with prescription drug abuse, and the effect it can have on a family. Janet has spent her whole life proving herself. She's on the fast track in her career and nothing will slow her down, not even falling in love with a man who holds the key to helping her find the peace she's searched for all her life. With two failed marriages behind her it's easy to be skeptical, but there is something about Tally that's impossible to ignore. Janet decides to join her life to his, hoping the complications will work themselves out. But despite Tally's determination to make their marriage work, Janet has secrets she is desperate to protect. Soon, she finds herself helplessly trapped within a prison of her own making. Overwhelmed by the harsh consequences of her decisions, she sees no point in trying any longer as Tally turns his back on her too. By the grace of God Janet is given a second chance, one more opportunity to resolve her past and develop faith for the future. Can she find her way back to the family she once had? Can she forgive herself for all she's done? And most importantly, will the man she loves be able to trust her one last time?
