The Christian Book of Mystical Verse: A Collection of Poems, Hymns, and Prayers for Devotional Reading

"... some of the best devotional verse the English language affords..."

While the term "mystic" may have connotations that reach beyond traditional Christian thinking, it actually refers to a common spiritual experience that unites anyone who has fellowship with God.

The poems in this book were hand-picked by Tozer and follow a logical pattern, going in line with the very nature of salvation itself and the death of Jesus on the cross, man's contemplation of his own sin, redemption, communion with God, awaiting the return of Christ, and celebrations of eternal fellowship with God in Heaven.

Both intimate and exhilarating, *The Christian Book of Mystical Verse* is a book for anyone who seeks to worship God the Father, and who finds the rich language of Christians of old a great help in that endeavor.
